INVENTORY

Direct Maintenance Services is
always looking to increase our
inventory of Centrifuges and
Centrifuge parts, including complete
units, bowls, scrolls, tiles,
seals, and gearboxes.

In some cases, when a unit is beyond
repair, we can offer a replacement
unit for your operation.

DMS keeps a large inventory of used
Centrifuges and Centrifuge parts
in stock and ready to ship.

Our Centrifuge sales team can answer
any questions you may have regarding
adding, replacing, or upgrading your
current production needs.

EXPERIENCE

With over 35 years of service experience, we ensure the highest standards of quality and expertise.

We provide comprehensive repair, refurbishment, and maintenance for rotating equipment. As one of North America's leading non-OEM repair providers, we offer trustworthy, reliable, and efficient solutions for all types of your Decanter Centrifuge repairs.

EMERGENCY SERVICE

Rapid repair services enabled by our extensive parts inventory.

We service all major brands and offer the industry's best repair guarantee.

24/7 emergency service with free pickup and delivery.

We know downtime isn't an option, so we are dedicated to getting you back up and running with minimal delay. At DMS, we maintain a vast inventory of centrifuge parts, ranging from bowls, scrolls, tiles, to gearboxes, all ready for immediate use in your repair.

COMMITMENT

Regular annual servicing of your Centrifuge boosts its lifespan, compliance, repair rates, and safety level. But when it inevitably breaks down and needs expert repair, who do you trust to get it fixed?

At Direct Maintenance Services, we offer fast, high-quality service to promptly get your Centrifuge up and running.

Our commitment to delivering top-notch repairs at fair prices ensures efficient turnarounds without compromising on quality. Count on us for courteous and reliable service.

SERVICE

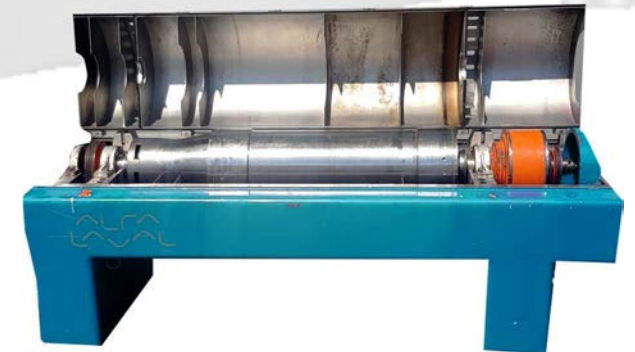

At DMS, our exceptional team is ready to tackle all your Decanter Centrifuge needs with unwavering professionalism, ensuring a seamless and outstanding experience every time.

Direct Maintenance Services is the ideal partner for your operation due to the knowledge and expertise we've developed over the years as a premier Centrifuge service provider.

Our comprehensive repair and maintenance services are second to none.

We recognize the significant investment you've made in your equipment, and keeping it operational is crucial for both your operations and the overall success of your business. That's why we employ only the most skilled and experienced professionals in the industry.

TRUST DMS TO GET YOUR EQUIPMENT BACK UP AND RUNNING...
